

Australia's Best Value Universal Laser

DUAL GRADE

Model SLR 202GR

DUAL & SINGLE GRADE HORIZONTAL VERTICAL PLUMB RIGHT ANGLES

- ▶ Electronic self-leveling accuracy 2.4mm at 30m provides reliable and accurate performance
- ▶ Working range up to 700m diameter is ideal for both indoor and outdoor applications
- ▶ -10% to +10% in Single Grade
-7% to +7% in Dual Grade dial-in grade with illuminated display for precise level, grade, and vertical alignment
- ▶ Most versatile, cost-effective laser system with additional features such as 90° layout beams, variable speed, scan angles, and beam positioning
- ▶ Smart H.I. Alert System stops rotating and alerts user when laser has been disturbed or drifts

INDOOR & OUTDOOR

LCD backlit display

Outdoor construction tough

Real-Time Wireless Remote
2-way communications allows quick adjustments & setting grade with display

Versatile with 90° Layout
Vertical self-leveling for layout and alignment applications

RD202 - Long Face - included
2 x LARGER 125mm Capture Window
Front and back displays - range up to 700m
IP56, LCD & LED, 1.0mm/2.5mm

AUSTRALIA'S MOST AFFORDABLE DUAL GRADE LASER

SLR 202GR ROTARY GRADE LASER

VERSATILE, HI-POWERED GRADE LASER WITH VERTICAL ALIGNMENT

The electronic self-leveling SitePro SLR 202GR dual grade laser delivers reliable and accurate performance. The most versatile, cost-effective laser systems that can do three jobs - level, grade, and vertical alignment.

The SLR 202GR features dual dial-in grade from -7% to +7% in both X and Y axis, and $\pm 10.00\%$ in single grade mode with horizontal and vertical electronic self-leveling laser for precise levelling applications - ideal for both indoor and outdoor use. Vertical lay down positioning provides vertical alignment capabilities and squaring to ensure that walls or partitions are precisely aligned.

Real-Time Wireless Remote

The RC22G is a full function wireless remote with 2-way communications that allows user to make real-time adjustments and setting grade. Digital display provide information to and from the SitePro SLR 200GR.

Increase Productivity

The SLR 202GR increases performance and simplifies setup for level, grade and vertical alignment jobs. Designed for use on any jobsite to increase productivity and profitability- both indoor and outdoor applications.

GRADE LASER	
SLR 202GR	
Accuracy	± 2.4 mm @ 30m
Working Range	730 m diameter with detector
Self-Leveling Range	$\pm 5^\circ$, electronic servo self-leveling
Grade Range	$\pm 10.00\%$ in Single Grade $\pm 7\%$ in Dual Grade
Laser Beam(s)	Horizontal, 90° layout beam, plummet beam
Laser Diode	Class 3R, 635nm
Power Supply	DC 4.8-6V NiMH rechargeable battery pack (approx. 20hr of continuous use), or four (4) C-cell alkaline batteries
Water Protection	IP 55
Rotation Speed	0, 60, 120, 300, 600 RPM
Scan Angle	10°, 45°, 90°, 180°
Remote Control	RC22G, 2-way communications w/ 50m range
Size (L x W x H)	215 x 215 x 207 mm
Weight	2.42Kg with batteries

SUPPORTED THROUGHOUT AUSTRALIA

Using the Universal multi mount (W-96) the horizontal alignment and setting out right angles is achieved - also use as a wall mount

What's Included:

- SLR 202GR Laser
- Detector RD202
- Rechargeable batteries
- Red Target
- Glasses
- Remote control - space for W-96

Optional:

W-96 Multi Mount (wall & ground)
