Distributors of quality car care products

Product Application Instructions - Carlack Odour Remover

Carlack Odour Remover is designed to neutralise and mask odours in your vehicle. Carlack Odour Remover is effective on tobacco, pet, food and other smells like damp carpets

Carlack Odour Remover is formulated with a mild fragrance that is by Davidoff of Switzerland.

Step 1.

Remove any sources of smell (i.e. food containers, animals). Shake Carlack Odour remover before use. Apply to any soft surface in the vehicle. It is recommended to spray Carlack Odour Remover in discreet areas such as under seats and on carpets and cloth trims to prevent transfer to clothing.

Step 2.

After applying Carlack Odour Remover close the vehicle windows and doors and allow the vehicle to stand for 15-20 minutes.

Note: Carlack Odour Remover does not contain anti-bacterial agents

The Carlack Car Care range also offers paint care and glass care products and other interior cleaning products including Carlack Plastic Renew and Carlack Carisma Interior Fragrance.
