

This shoe size chart is a guide only, it should be used as an aid and should not replace a personal fitting. Dance Shoes should be a firm fit with very little growing room. The chart below is reflective of a 'professional' fit (a tighter fit). Size may vary due to shape and width of foot.

These charts are here to give you a general idea on sizing. Energetiks is not responsible for incorrect measurements, or ordering the wrong size.

Childs Shoe Size Chart

Foot Length (cm)	15.4	15.6	16	16.4	16.8	17.2	17.6	18	18.4	18.8	19.2	19.6	20	20.4	20.8
